Our strengths (and limits)

CELEBRATE IS VERSATILE, BUT NOT A GENRE SPECIALIST.

We play jazz-inspired sets,
Latin fusion,
and even lounge ballads.

But we don't claim to be a jazz trio,
a classical ensemble, or a folk group.

**FOR THAT, MAGIC ENTERTAINMENT
OFFERS:**

The Jazz City: Authentic jazz with upright bass
Raíces: Latin roots with native instruments
Aria: Classical strings and formal repertoire

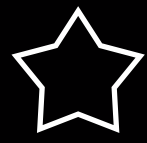

Celebrate offers flavor.
They offer the full experience.
